The sculpture

Here is the blank line drawing of the Fosse Fox below, which is ready to be decorated.

The fox sculptures will be designed by a sculptor and it is intended that they will be cast in GRP and can be painted using any material of your choice. A special protective UV varnish will be applied to all foxes to protect the artwork from the elements.

There is a larger scale drawing of the fox ready for your design which can be found on pages 6&7.

Why enter?

The Fosse Foxes offer an exciting opportunity to showcase the talent of local artists and designers, raising the profile of Leicester's creative industries.

The Fosse Fox art trail will be across Fosse Park. The foxes are designed to be a long term feature within the scheme and should therefore be designed with longevity in mind. This is a fantastic chance to promote your talents and display your work to a wide audience. Your name will be featured on a plaque next to your fox and will also be included on the Fosse Park website, with details of the Fosse Foxes art trail and the trail map, along with a link to your website (if you have one).
